Are you interested in working as a Camp Intern for the AEF Summer Camps?
This is a great opportunity to earn volunteer hours and work with camp instructors and kids over summer. This will look great on your college applications.

What does it involve?
Interns will work alongside the camp instructors during our summer camp program. You will assist the instructor in providing extra supervision for the camp participants and provide hands-on assistance to the students who may need extra help in completing any activities.

- Camps will be held at Bay Farm school, 200 Aughinbaugh Way, Alameda 94502
- Camps are held from June 25 – July 27, 2018 (no camps July 4). You are on site from 8:15am – 12:45pm; or 12:30 – 5:15pm
- Internships require a 2-week commitment, but the weeks may not be consecutive.

We will be offering a variety of camps including science, robotics, drawing, guitar, sewing, circus and many more. A full list of our camps can be found on the AEF website: www.alamedaeducation.org.

What do you need to do to apply?
- Complete an online application form:
- You can also access the online form by going to www.alamedaeducation.org.
- Please note your parent/guardian will need to assist you in completing the online form as there are waivers someone over the age of 18 has to complete.
- The program costs $45. This includes training and a t-shirt. If you are selected for an interview, you must bring a check payable to Alameda Education Foundation to the interview. The check will not be cashed unless you are accepted into the program.
- Interviews do not guarantee placement in the program.
- If accepted, interns must attend the training session (No exceptions).
- Interns must be available to volunteer for 2 weeks over summer starting June 25 and ending July 27th. The weeks do not have to be consecutive. We will try to accommodate your schedule requests, but we can’t guarantee all requests will be met.
- These hours will satisfy AUSD community service requirements.

Who may apply?
Must be between 14 – 17 years old to apply.
